Volume II - Common Record Full Participant Technical Reference Volume II, Table of Contents Updated the page numbers. II				
Volume II, Table of Contents Updated the page numbers. II Volume II, Section 1 - Full Participant Implementation Guide Within the "Response Document" topic, COD School Relations can no longer change a schools default option from Standard to Full. Schools, that receive Standard Responses by default, can only override this option on a record-by-record basis by submitting the <fullresponsecode> tag (Business Rule #5). II - 1 - 24 Volume II, Section 1 - Full Participant Implementation Guide Added the following tag as a required element when processing a Direct Loan PLUS award: ■ First Name II - 1 - 37 Volume II, Section 1 - Full Participant Implementation Guide Within the "Removal of Invalid Phone Number Edit" topic, changed a business rule to indicate that the COD System now stores and returns 000000000 for an invalid Phone Number. It previously stated it stores and returns nil=true. II - 1 - 65 Volume II, Section 1 - Full Participant Implementation Guide Within the "Updating Phone Numbers" topic, changed the business rules to indicate that the COD System stores only one or the last occurrence (if more than one is submitted) of the phone number tag as Home Phone, although the Common Record allows up to three occurrences of this tag. The COD System no longer stores a value for Alternate Phone 1 and Alternate Phone 2. II - 1 - 73 Volume II, Section 1 - Full Participant Implementation Guide A Borrower must have an accepted credit decision before establishing a Direct Loan PLUS award. The COD System now requires the <firstname> tag when establishing a Direct Loan PLUS award. II - 1 - 716</firstname></fullresponsecode>		Montgomery, AL 36117
